Our love for beautiful timeless dressing is at the core of Nouvelle / Silk95Five. Designed to last, our collections are intentionally focused on our signature blended fabric, Silk95Five, a delicate yet durable washable stretch silk that has been carefully engineered to last well beyond the normal garments' life span.

Our goal is to make it easy for any woman to build a seasonless wardrobe that is more than just foundational. Through our simple yet elegant designs and seasonless colour palettes we give women the opportunity to wear easy-to-maintain silk, all year long.
